TITLE: (CON) LINER FOR WASTE WATER SYSTEM REHABILITATION	
TO: Mail Stop Amendment/No Fee Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450	

INTERVIEW SUMMARY FROM NOVEMBER 30, 2005

Sir:

Pursuant to MPEP 713.04, Applicant submits the following:

Interview Date: November 30, 2005.

Interview Participants: William Fletcher (Examiner), Mark Tidwell (Attorney for Applicant).

Interview Type: Telephonic

Claims Discussed: 18 and 23.

Specific Prior Art Discussed: None

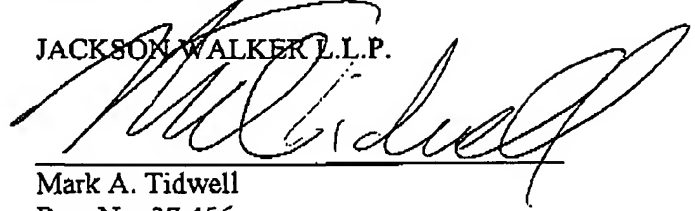

Substance of Interview: Discussed possible amendment to independent claims 18 and 23 to clarify that the foam, upon curing, forms two distinct layers. Specific amendment language to each claim was proposed by the Applicant and the Examiner indicated that such language should render each independent claim, namely claims 18 and 23, allowable. Applicant, on the same day of the interview, submitted such an amendment by facsimile, a copy of which is attached.

Applicant also agreed to withdraw those claims that focused on the resulting product, namely new claims 33-36.

Pursuant to the Interview discussion and the outstanding Amendments, the Application should now be in condition for allowance.

Respectfully submitted,

JACKSON WALKER L.L.P.
